Turn off Blackbox?
Yes for this session
Yes for this domain
No, don't turn it off

Hi! Here some our recommendations to get the best out of BLACKBOX:

Be as clear as possible

End the question in what language you want the answer to be, e.g: 'connect to mongodb in python
or you can just
Watch tutorial video
Here are some suggestion (choose one):
Write a function that reads data from a json file
How to delete docs from mongodb in phyton
